MEMORANDUM FOR: Chief, O/DCI Admin Staff

FROM: Executive Secretary

SUBJECT: History Staff

1. In reading the Biweekly History Staff Summary of Activities (which are routinely provided to me), I note mention of having received over 50 applications for a staff historian position.

2. Since, as I understand it, I have some responsibility for this group, could you fill me in on anything I need to know about their ability to hire directly, etc.? I assume everything is being done properly, but I'd rather have my mind set at ease in this matter.
